#### Notes

\* The training element is optional and is ordered from, and delivered by Creative ICT, not INCERTS, and is not subject to VAT.

If you do not require training, simply deduct £200 from the price paid by you.

INCERTS is supplied to Creative ICT by Partnership Matters and in order to be able to sell INCERTS, Creative ICT has undergone an accreditation process

#### Discounts

Two discounts may be applied: firstly, for agreeing to act as a reference site; secondly to agree to Creative ICT presenting INCERTS to a suitable cluster meeting of local heads.

Discounts are calculated on the system price only; the hosting charge and training are not discountable. Please discuss the nature of these commitments before agreeing to take the discount offered.

#### Ordering

To order INCERTS for your school you need to raise two purchase orders:

1. In favour of **Creative ICT** for £200 to cover the training element (if required)
2. In favour of **Partnership Matters** (address below) to supply INCERTS and hosting (take the price paid by you and deduct £200 to work out the value of the order to PM)

Once ordered, you will be sent an email from Partnership Matters containing an order confirmation, please sign and fax this back to PM.
